The Honorable John G. Dean
The American Ambassador
American Embassy
Bangkok, Thailand

Dear Mr. Ambassador:

I am pleased that we have been able to obtain the approval of the Thai Ministry of Communications to allow FBIS to engage in satellite monitoring at the [redacted] antenna site. I am aware that you were instrumental in obtaining this approval, and want to express my appreciation for your significant effort on this.

I understand you will be moving to a new assignment soon. I wish you good luck and want you to know that we have appreciated your effective support over the past few years. The FBIS effort in Bangkok seems to be on the right track, and your assistance has made that possible.

With warmest regards,
